INSTALLATION NOTES

NI 9861, NI 9862, and NI 9866

External Power Required

The NI 986x C Series modules require an external power supply to operate the CAN or LIN transceiver. For information about wiring a power supply, refer to the printed NI 986x operating instructions.

Getting Started with CompactRIO

The steps required to use NI-XNET on the CompactRIO platform are unique. If this is your first time to use NI-XNET on CompactRIO, refer to *Getting Started with CompactRIO* in the *Installation and Configuration* chapter of the *NI-XNET Hardware and Software Manual*. This manual is available in the Documentation folder of your NI-XNET installation CD.
